Comentarios públicos del agente: Welcome to Reina de Castilla, a unique residential gem in the heart of historic Old San Juan, Puerto Rico. This spacious 2-bedroom, 2-bathroom apartment is located on the second floor of a well-maintained condominium just steps away from the cruise ship piers, placing you at the center of the city's energy and charm. Surrounded by cobblestone streets, colorful colonial architecture, rich history, museums, and an incredible variety of restaurants, cafés, shops, and cultural attractions, this location offers the quintessential Old San Juan lifestyle. The building itself is designed for comfort and security, featuring 24-hour security staff, a full-power backup generator, and water reserves that serve the entire building—ensuring peace of mind no matter the weather or circumstances. The apartment welcomes you with a beautiful interior patio before reaching your front door, setting a tone of calm and greenery that continues throughout the property. The living areas are filled with an abundance of natural light, with large windows bringing in sunshine from every angle and creating a warm, open atmosphere. The flow between the living and dining spaces is ideal for relaxed living, and the overall layout balances privacy and openness. Each of the two bedrooms is generously sized, with ample closet space and easy access to the bathrooms, making the apartment functional for both residents and guests. Two covered parking spaces are included—an exceptional convenience in Old San Juan where parking is limited. Directly in front of the building is a waterfront park where you can exercise, go for a walk, or simply sit and take in the coastal views. Whether you're seeking a primary residence, a second home, or an investment in one of Puerto Rico's most beloved neighborhoods, this apartment at Reina de Castilla blends historic charm, modern amenities, and unbeatable location into one exceptional opportunity.
