**Unidades del área del edificio:** Square Feet

**Comentarios públicos del agente:** Imagine gathering with family and friends in your new home at Dorado Beach East, a gated community within the exclusive Dorado Beach Resort & Club. Set on a desirable corner lot, this residence stands apart with tranquil lakefront views and east breezes that flow into the heart of the home: the lush, resort-style backyard. A newly built pool, heated hot tub, and covered outdoor kitchen create an oasis for entertaining, framed by tropical landscaping and a privacy wall for added serenity. Beyond the grand entry door, the foyer opens to a chef's kitchen featuring a commercial-grade refrigerator and freezer, and brand-new Wolf appliances including induction cooktop, microwave, oven with warming drawer, and more. The formal living room boasts cathedral ceilings and now includes a newly added dedicated office/flex space. Thoughtfully separated from the main living areas, all four bedrooms include private ensuite bathrooms. Among the many standout spaces, the great room may be the most striking, with expansive new windows that frame the pool and outdoor living area, bringing the views and light indoors. Efficiency and peace of mind come standard, thanks to a robust solar energy system with 58 wireless-controlled solar panels and three Tesla Powerwall batteries by Power Solar. Enjoy a lifestyle where world-class amenities including pristine beaches, TPC championship golf courses, the breezy Encanto Beach Club Bar & Grill, Spa Botánico, The Watermill, Dorado Beach Fitness & Wellness Center and Sports Hub, and countless watersports are just a golf-cart ride away. Immaculate, beautifully maintained, and move-in ready, this property invites its next owners to experience resort living at home.
