**Comentarios públicos del agente:** Relocation / Family Home | 6,400 sqft of Space, Privacy & Functionality | Near Jobos & Montones Not every luxury home in Puerto Rico is designed to impress. Some are designed to make sense. This 6,400+ square foot luxury residence in Isabela offers the space, privacy, and functionality that relocation buyers and growing families are actively seekingâ without sacrificing comfort or lifestyle. Situated on approximately 1,800 square meters of land within an exclusive residential area, this property provides a rare opportunity to enjoy expansive interiors, generous living areas, and a layout designed for everyday living, not just weekend stays. The home features multiple spacious bedrooms, expansive common areas ideal for entertaining, family gatherings, or multigenerational living, and flexible spaces well-suited for home offices, studios, or private guest accommodations. High ceilings and abundant natural light enhance the sense of openness throughout. While many buyers focus solely on oceanfront views, experienced relocation buyers prioritize what truly impacts daily life: ? usable interior space ? privacy and quiet surroundings ? ample land ? functional layout for long-term living This home delivers exactly that, complemented by partial ocean views, excellent accessibility, and proximity to Isabelaâs most desirable beaches, dining, shopping, and services. Ideal for: Mainland U.S. buyers relocating to Puerto Rico Remote professionals seeking space and privacy Families upgrading without downsizing lifestyle Buyers transitioning from high-tax states This is not a vacation house. This is a home built for living fully in Puerto Rico. Private showings by appointment only.
