Comentarios públicos del agente: Exceptional investment opportunity in one of San Juan's most desirable beachside communities. This beautifully renovated and furnished two-story home on Cacique Street, inside the gated community of Ocean Park, offers versatility, comfort, and a prime location. The property features 5 bedrooms, 4 bathrooms, and is currently operating as a successful income-producing short-term rental. Designed with flexibility in mind, the home can function as a spacious single-family residence or be divided into two separate units, each with private entrances and its own kitchen. The layout includes 3 bedrooms on the first floor and 2 bedrooms upstairs, with a connecting interior door that allows for easy conversion between one large home or two independent units. Additional amenities include a full backup generator, water cistern, and off-street parking. The home is also located in a flood-free zone and offers the potential to add a pool, allowing you to create your own private oasis. Situated just steps from the beach, within walking distance to some of Puerto Rico's top private schools, and only 10 minutes from the airport and Old San Juan, this is a rare opportunity to own a high-value property in Ocean Park. Whether you're searching for a primary residence, vacation home, or a high-potential investment, this flexible property in Ocean Park is a rare find.
