Comentarios públicos del agente: NOW SELLING PRE-CONSTRUCTION Inspired by heritage, glamour, and sophistication. ORO is a historic landmark in the Golden Mile skyline of Hato Rey, San Juan's vibrant financial district. Celebrated for its award-winning design by architect Victor Bisharat, this striking façade reveals artful setbacks with private balconies in most of its 32 breathtaking Autograph Collection-branded residences, as its undulating curves echo the aesthetic of the golden-age tropical modernism architecture. The upper four levels of the tower are exclusively residential, culminating in a stunning rooftop on the 16th level featuring the stylish Liquid Bar and Restaurant, a private event space for residents to work and socialize, and a spectacular 28-meter swimming pool overlooking the breathtaking city views. Upon arrival, residents are greeted by a separate, 24-hour attended lobby entrance, a tastefully appointed residential lounge and personalized concierge services. Offering the privacy of an exclusive residential condominium combined with the luxuries of upscale hotel amenities and À la carte services, Oro Residences is poised to transform urban living. The 1-to-3-bedroom residences boast floor-to-ceiling windows, expansive layouts, and cleverly concealed interiors by renowned architectural designers, Modus Operandi. Each residence celebrates the scale and beauty of the original architecture—a perfect balance of aesthetic and practical considerations. Handcrafted finishes, natural materials, and subtle Art Deco references bring a sense of history to gracious contemporary spaces. Residence 1201 is a grand, corner 3-bedroom residence with double exposures to the North and West, boasting 2,420 square feet of interior space and 267 square feet of exterior space, for a total of 2,532 square feet of living space. Its exquisitely selected interiors include American walnut wood floors, creating a warm and inviting atmosphere throughout. A state-of-the-art kitchen featuring a separate island with roble gray millwork, Taj Mahal quartzite counters, and stainless-steel Bosch appliances completes the carefully considered space. The expansive primary suite provides a serene retreat with a generous walk-in closet and a well-appointed 5 fixture primary bathroom. This spa-like sanctuary includes a free-standing tub, a separate oversized shower, a dual vanity with Kohler fixtures, and refined chrome fittings. The sprawling layout further enhances ease with a powder room, laundry room, and a generous balcony, allowing for a stunning backdrop of the city skyline. ORO Residences, an Autograph Collection Condo-Hotel powered by Marriott, flaunts 25,000 square feet of private amenities and programming spread across three levels, complemented by the impeccable service of one of the world's premier hotel brands. Residents can indulge in an impressive array of world-class amenities, including a state-of-the-art fitness center and a luxurious spa tailored to meet all wellness needs. Culinary excellence is a cornerstone of ORO Residences, with the Bullion Steakhouse Restaurant and a Barrilito-branded rum bar. A furniture package is available to purchase, providing a hassle-free, turnkey ownership experience, along with the opportunity to join Marriott's exclusive hotel rental program. Estimated Completion Summer 2027.
