Comentarios públicos del agente: Modern Island Living at The Views Reserve | Palmas del Mar Take advantage of pre-construction pricing and secure your place in one of Puerto Rico's most desirable resort communities before construction begins and before values increase upon completion. Buying at this stage positions you ahead of the market and allows you to benefit from the natural appreciation that occurs once the home is fully built. This beautifully designed residence at The Views Reserve offers approximately 1,911 square feet of interior living space, a 429 square foot carport, and a total construction area of 2,710 square feet. Every detail is thoughtfully crafted to blend comfort, functionality, and contemporary style. Step into a sunlit interior with soaring 16-foot ceilings and an expansive open layout. Impact-resistant windows frame the lush surroundings, bringing natural light into the main living areas. The kitchen features quartz countertops and a full backsplash, seamlessly connecting to the great room and dining area for effortless entertaining. All three bedrooms include private bathrooms and walk-in closets, highlighted by a tranquil primary suite with a spa-style bath. A powder room and dedicated laundry area add everyday convenience. The home includes a 370 square foot covered terrace, extending the living space outdoors and enhancing the tropical lifestyle experience. Additional features include a solar water heater, a 240V electric vehicle charging outlet in the carport, and preparation for solar panels and a backup generator. Ownership includes the Palmas Athletic Club membership initiation fee, providing access to championship golf courses, marina, tennis and pickleball courts, beach club, equestrian center, dining, shopping, and 24/7 security within a golf cart-friendly community. Secure the advantage of purchasing in pre-construction. Once completed, pricing will adjust to reflect the finished value.
