**Comentarios públicos del agente:** Welcome to an exceptional oceanfront penthouse at the Marbella Club, located within the Palmas del Mar Resort. Offering approximately 2,600 square feet, this residence delivers a refined coastal lifestyle defined by space, light, and breathtaking natural scenery. High ceilings, elegant crown moldings, and an open-concept layout create a seamless flow throughout the home, while expansive windows frame uninterrupted views of the Atlantic Ocean, golden beaches, and the lush mountains of El Yunque. Every space is designed to highlight the surrounding landscape and bring the outdoors in. The main living areas include a spacious living room, formal dining area, and a modern kitchen featuring stainless steel appliances, quality wood cabinetry, and granite countertops. A generous private terrace extends the living space outdoors, ideal for entertaining, dining al fresco, or simply enjoying the ocean breeze and panoramic views. The primary suite serves as a private retreat with a large bedroom, sitting area, private balcony, and a spa-inspired en-suite bathroom. An additional independent suite with its own bathroom offers flexibility for guests or multigenerational living, complemented by well-proportioned additional bedrooms. Residents of the Marbella Club enjoy direct beach access, two oceanfront swimming pools, a jacuzzi, and beautifully landscaped tropical grounds. As part of Palmas del Mar, owners also have access to championship golf courses, tennis and pickleball facilities, a marina, equestrian center, dining, shopping, and 24-hour security. The community is also home to The Palmas Academy, conveniently reached by golf cart, a daily experience many families cherish as children enjoy being taken to school through the resort's scenic paths. An outstanding opportunity for a primary residence, vacation home, or income-producing investment in one of Puerto Rico's most desirable coastal communities.
