Attention to loving detail in every aspect of this home is obvious. Starting outside in front there is a lovely wraparound balcony with seating, tastefully decorated with plants and flowers to evoke a warm, peaceful environment. The back is fully fenced with a concrete wall for privacy. Off street parking that could easily fit a boat. Landscaped with potted flowers and nooks for seating, the highlight of this area is the 12x12 pool. Heated with a saltwater system. At night it lights up with a beautiful color changing system! Concrete steps lead up to the roof where you can enjoy views of the sea and the main island. You could easily build up if desired. The entire house has been fully updated, and furnished. New electrical, water and security system, with AC throughout. The kitchen counter is butcher block with a marble backsplash. It also has closet space and glass security hurricane windows. The beautiful marble floors, with Persian rugs, tie together seamlessly with the antique furniture and decor. The high ceilings and natural light make for an inviting, spacious feel.
