Comentarios públicos del agente: Discover a high performing beachfront investment in the heart of Isla Verde with this oceanfront studio at ESJ Towers, a well established condo hotel offering exceptional flexibility for investors seeking hotel managed income through the ESJ rental program, independent short term rentals, or long term leasing. Located on the third floor and offering approximately 484 square feet, the studio features a well planned layout with one bed, a full bathroom, a combination of carpet and tile flooring, and a full kitchen with neutral color cabinetry, quartz countertops, and stainless steel appliances, complemented by a private ocean view balcony to attract strong vacation demand. Direct private access to Isla Verde Beach, recognized by USA Today as the number one urban beach, combined with its proximity of less than two minutes to Luis Muñoz Marín International Airport makes this property especially appealing to short term renters and business travelers, supporting solid year round occupancy. Steps away from restaurants, supermarkets, pharmacies, and vibrant nightlife, and adjacent to the iconic Fairmont El San Juan Hotel, the location supports premium nightly rates while remaining just minutes from Mall of San Juan and a short drive to the historic charm of Old San Juan. Guests and residents enjoy resort style amenities including 24 hour security, front desk service, fitness center, lobby bar and lounge, coffee shop, game room, and a swimming pool scheduled for renovation, further enhancing future value. Adding to its investment appeal, the building features a full power generator and water cistern, and the unit includes one deeded covered parking space, delivering reliability, convenience, and long term desirability in one of Puerto Rico's strongest rental markets.
