Comentarios públicos del agente: Located in the downtown area of the town of Florida, this mixed-use property offers excellent commercial and residential potential. The first floor features two commercial spaces, one currently rented and operating as a church, providing immediate rental income, and the other previously used as a hair salon, offering space for future business use or additional income. The second floor includes a three-bedroom, two-bathroom residential unit, ideal for owner occupancy or as another rental opportunity. Both the second commercial space and the apartment require repairs, making this an ideal value-add investment with strong upside potential.
