Comentarios públicos del agente: Approximately 2,000 square feet Penthouse apartment, located at Building 6, Unit 323, within the Isla Bela Beach Resort complex in the municipality of Isabela, Puerto Rico. This residence features 2 bedrooms convertible to 3, 3 full bathrooms, kitchen, living/dining area, and a spacious balcony overlooking one of the community pools. One of the property's most distinctive features is the third bedroom with a full bathroom located on the second level, a layout not typical for this line of apartments. This full bathroom was originally built by the developer for personal use, adding flexibility and value to the overall design. The second level also offers a large terrace with excellent potential, ideal for creating a private outdoor living space. The complex provides 24/7 security, controlled access, two assigned back-to-back parking spaces, two swimming pools, direct beach access (true beachfront property), tennis court, half basketball court, gazebo, and play area. The apartment and all systems are fully functional. Located in a quiet, relaxed, laid-back coastal environment, just minutes from the well-known Playa Jobos, recognized for its surf culture and beach lifestyle. The municipality of Isabela is approximately two hours from San Juan, Puerto Rico's capital. Important: Short-term rentals are NOT permitted. This property is ideal as a primary residence, second home, or long-term residential investment. The community is predominantly owner-occupied.
