Unidades del área del edificio: Square Feet

Comentarios públicos del agente: Set directly on the sand at Carriñ Court, this residence offers front-row ocean views and a perspective that defines true beachfront living. This northeast-facing apartment captures endless Atlantic blues from every angle. Wake up to the sound of waves and panoramic views that stretch from the vibrant city skyline to the lush horizon of El Yunque National Forest in the distance. From your private vantage point, you also overlook Ocean Park, where the coastline comes alive daily with energy and sport. Here, the lifestyle is as compelling as the views. Step directly onto one of San Juan's most dynamic beaches - home to beach tennis, volleyball, kite surfing, paddle boarding, and kayaking. This is oceanfront living with movement, vitality, and prestige. The apartment offers 3 bedrooms, 2.5 bathrooms, and two parking spaces. The primary suite faces the water, allowing you to fall asleep and wake up to uninterrupted ocean views - a feature few properties can claim. Offered in excellent, move-in-ready condition, with furniture optionally included for a seamless transition. Located on a gated street with 24-hour security, the building provides exceptional infrastructure and amenities: double full-capacity generators, cistern, heated pool, expansive terrace, secondary lobby for private gatherings, a dedicated conference room - ideal for hosting or working in privacy and a gym with new equipment. Beachfront inventory in this location is extremely limited. Front-line ocean exposure, northeast orientation, protected views, and this level of building quality rarely come together. If you've been waiting for the right oceanfront opportunity - this is it!
