**Comentarios públicos del agente:** Located in one of Hato Rey's most convenient and discreet residential enclaves, this walk-up unit at Bayside Cove offers privacy and central accessibility. The complex sits just minutes from the Coliseum, Plaza Las Américas, and the Milla de Oro banking district, yet remains tucked away from heavy traffic and noise. This particular unit is positioned toward the back of the loop for added seclusion, and its east-facing orientation overlooks a wooded area and canal with city buildings in the distance—quiet, breezy, and naturally shaded in the afternoons. The apartment is a third-floor, with a single-level layout, but access is easy: the front door is just eight steps above the parking level. Inside, the living, dining, and kitchen areas open to a large balcony-terrace that captures morning light and the consistent east-side breeze. The upgraded kitchen features porcelain slab countertops and an island well-suited for cooking or casual hosting. The primary bedroom includes modern wood paneling and an ensuite bathroom, while the secondary bedroom and a flexible third room—currently used as a family room with pocket doors—provide adaptable space for guests or a home office. Bayside Cove offers amenities that appeal to residents seeking comfort and practicality, including a swimming pool, hot tub, fitness center, racquetball court, and 24-hour security. The unit includes two tandem parking spaces within the gated complex. Overall, this is a well-located, well-designed rental option that provides privacy, convenience, and a functional layout for professionals who want to live close to the city's main commercial hubs while maintaining a quiet home environment.
