Comentarios p blicos del agente: A Vast Sanctuary of Opportunity    90 Acres (93 Cuerdas) of Untouched Caribbean Nature Puerto Rico | Where Land Holds Legacy Nestled among the emerald mountains of Puerto Rico lies a rare offering: 90 acres of rich, vibrant land, sculpted by nature into rolling hills, open pastures, and secret groves. This estate is more than property    it is a living testament to a proud past in cattle ranching and agriculture, and a blank canvas for visionary futures. Here, the air feels different    fresher, freer. Sunlight filters through towering trees and dances across the land. From elevated vantage points, the views reveal an endless sea of green stretching into distant peaks. This is a place for those who seek privacy, inspiration, and connection with the earth. Land Features & Character -90 acres with diverse topography: fertile plains, gentle slopes, and forested hills -A thriving ecosystem of native species and fruit-bearing trees - Natural harmony  perfect for sustainable living, conservation, or agricultural expansion Water: Life Runs Beneath the Soil -A potable water well -Multiple water veins coursing through the property, nourishing every corner of the land Infrastructure -Three gated entrances leading into the estate -Several internal roads already cleared, ideal for exploring and expansion -Two cattle stations (sepos) ready for continued livestock operations -On-site structure in mid-completion, offering a foundation to build upon  whether a private villa, a ranch headquarters, or a hospitality retreat This estate sits in a cradle of natural beauty    a place that invites both adventure and serenity. Its energy whispers of history   and its silence calls for bold dreams. For the discerning investor, the steward of land, or the creator of new destinations   this is your horizon.
